

HOOVER ONEPWR EMERGE PET+ CORDLESS VACUUM

Effortlessly power through everyday messes with the Emerge Pet+. The Emerge Pet+ cordless vacuum features a high performance brushless motor that delivers power suction, and DustVault technology that captures dust and fine particles. Clean up everything from crumbs to dirt and pet hair across all floor types with the All-Terrain dual brush roll floorhead. Convert to a handheld vacuum to clean hard-to-reach areas with the motorised pet tool, extension hose and 2-in-1 tool.

- Optimal performance across all floors with the All-Terrain dual brush roll
- Powerful suction to lift and remove dirt & debris across hard floors and carpets
- Brushless motor for improved runtime, reliability and performance
- Versatile cleaning with our specialised tools
- Hushtone system delivers a quieter clean without compromising performance
- DustVault technology captures dust and fine particles
- Motorised pet tool is ideal for pet hair pick up and cleaning in compact areas
- Bright LED headlights reveal hidden messes
- ONEPWR battery system. Every battery works with every Hoover 18V cordless product
